PUBLIC PARTICIPATION DURING PERSONNEL COMMISSION MEETINGS

Members of the public may address the Commission by oral presentation concerning any subject that lies within the jurisdiction of the Personnel Commission provided the requirements and procedures herein set forth are observed.

All public comments will be subject to the general rules set forth below.

- Generally, three minutes is allotted to each speaker per topic for general public comments or per agenda item.
- Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.
- Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.
- Each speaker is limited to one presentation per specific agenda item before the Commission, and to one presentation per Commission meeting on non-agenda items.

Exceptions:

This time allotment does not apply to individuals who address the Commission at the invitation or request of the Commission.

Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Commission by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Commission, be requested to be orderly and silent and/or removed from the meeting.

No action may be taken on items of business not appearing on the agenda.

Instructions for Submitting a Request to Speak at In-Person Meeting

Individuals wishing to speak to the Commissioners during the Personnel Commission meeting during Public Comments or regarding item(s) on the agenda must complete a request card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

General Public Comments and Consent Agenda

- The request card to speak must be submitted to Tatiana Morrison, Personnel Technician, at the meeting before the Commission reaches the applicable section in the agenda.

Instructions for Submitting a Request to Speak at Zoom Webinar

The Zoom webinar format used by the Personnel Commission Zoom meetings ensure public participation and provide an opportunity for the public to directly address the legislative body.

Public participation can occur in one of two ways. Members of the public may speak during the public meeting, or they can submit written comments to be read during the public meeting.

Individuals wishing to speak directly to the Commission can do so in one of several ways:

It is recommended that individuals wishing to speak at the Personnel Commission meeting send an email to morrison_tatiana@smc.edu by 10:30 a.m. for the regular session starting at 12:00 p.m. The email should contain the subject line "Commission Meeting Comments" and include the following information in the body of the email:

- Name
- Address
- Name of organization (if applicable)
- Topic or Item: General Public Comments or Consent Agenda (indicate number/subject)

Alternatively, during the meeting and before public comments have ended, individuals may use the Q&A feature of the Zoom webinar to request to speak.

When it is time for the speakers to address the Commission, their name will be called and the microphone on their Zoom account will be activated. A speaker's Zoom Profile should match the name used to request to speak to expedite this process. After the comment has been given, the microphone for the speaker's Zoom profile will be muted.

Instructions for Submitting Written Comments

Individuals wishing to submit written comments to be read at the Personnel Commission Meeting should send an email to morrison_tatiana@smc.edu by 10:30 a.m. for the regular session starting at 12:00 p.m. The email should contain the following information:

- Name
- Address
- Name of organization (if applicable)
- Topic or Item (Item V for general comments or Consent Agenda (Item VIII)); for other items indicate the topic or specific item number
- Comment to be read

Agenda Report Number	1
Subject	Establishment of Seniority List: Basic Needs Project Assistant
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission

As part of the continuing practice to update and maintain Seniority Lists for the District, we present the following seniority list for approval:

Basic Needs Project Assistant

It is recommended that the Personnel Commission certify the seniority list effective November 1, 2023.

13.1.4 SENIORITY LISTS

A. Seniority lists shall be prepared or updated for each class as necessary. When each list is initially established, it shall be approved by the Personnel Director and certified by the Personnel Commission before it is used.

B. When a seniority list is initially established or updated, the list shall be made available to the employee(s) for review during a five (5) working day period before it is approved.

C. During the prescribed review period, an employee who believes that an error has been made on his/her seniority computation shall notify the Personnel Director, who shall review the computations together with any additional information provided by the employee. The Personnel Director shall determine if a recomputation is appropriate and present an appropriate recommendation for action by the Personnel Commission.

D. Seniority lists that are maintained will be available for inspection in the Classified Personnel Department.

Agenda Report Number	2
Subject	Classification Revisions: Community College Police Captain
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	Karen Monzon, Personnel Analyst

BACKGROUND

Attached for your approval are the classification revisions for **Community College Police Captain**.

As part of the cyclical review process, we are reviewing classifications in the Campus Safety job discipline. The Community College Police Captain acts as the first deputy to the Chief of Police and oversees the daily activities of the SMC Police Department.

The Community College Police Captain classification was established in July 1977. This classification has been revised several times since its establishment. The most recent revision was approved in March 2023. There is currently one permanent incumbent in this classification. The proposed changes will not adversely affect the incumbent.

METHODOLOGY

This study was scheduled in the cyclical review calendar for 2022-23. The incumbent from the Community College Police Captain classification, was invited to participate in a class study orientation on December 13, 2022, to discuss the purpose of the study, methodology, timelines, possible outcomes, implications, and frequently asked questions. The incumbent was requested to complete a Position Description Questionnaire (PDQ) by February 3, 2023.

Personnel Commission staff consulted with Johnnie Adams, Chief of Police, to discuss the classification description. In addition, the Chief was requested to complete a duty analysis worksheet by rating the frequency and criticality of each duty in the current class description. Additionally, revisions are proposed to clarify duties assigned, knowledge and abilities required for the job, and to the minimum qualifications required of new employees.

Additionally, a job evaluation and an external salary study of public agencies with positions that have comparable duties and responsibilities was conducted. Salary data was gathered based on the comparison of positions with the level of duties and responsibilities most similar to the subject position.

RESULTS

Based on data gathered, class description revisions are being proposed to include a more accurate description of the work performed. Additional changes serve to clarify the concept of the class, essential duties, KSAs (knowledge, skills and abilities) and minimum qualifications.

A comprehensive survey of comparable agencies was conducted. The salary survey of standard benchmark organizations resulted in moderate to strong matches, which are identified and presented below, with some variability in assigned functions but with comparable levels of responsibility.

AGENCY	JOB TITLE	MIN	MAX	MEDIAN
Santa Monica College	Community College Police Captain	\$11,670	\$14,184	\$12,927
Cerritos College	Captain of Campus Police	\$10,097	\$12,701	\$11,399
Contra Costa CCD	Police Lieutenant	\$8,705	\$10,609	\$9,657
El Camino College	Campus Police Lieutenant	\$10,332	\$12,100	\$11,216
Mt. San Antonio College	Lieutenant, Police & Campus Safety	\$12,579	\$13,892	\$13,236
State Center CCD	Police Lieutenant	\$9,511	\$11,698	\$10,605
Ventura County CCD	Community College Police Lieutenant	\$7,244	\$10,042	\$8,643
	Average	\$9,745	\$11,840	\$10,793
	25th Percentile	\$8,907	\$10,881	\$9,894
	50th Percentile	\$9,804	\$11,899	\$10,910
	75th Percentile	\$10,273	\$12,551	\$11,353
	80th Percentile	\$10,332	\$12,701	\$11,399
	90th Percentile	\$11,456	\$13,297	\$12,317
	SMC % RANK	91.9%	#N/A	96.6%
	SMC Difference From AVG	16.5%	16.5%	16.5%
	SMC Difference From MED	16.0%	16.1%	15.6%

**The midpoint or 50th percentile of data; a calculation that is not as susceptible to extreme high or low values in a dataset, as compared to the average. Due to variability in the number of steps per range in comparable agencies, the median provides a more accurate comparison between agencies.*

The current salary for Community College Police Captain is M33 on the Classified Management Salary Schedule. In this survey, SMC is in the 96th median percentile compared to all benchmark agencies with comparable classifications; that is, 4% of market comparables were paid higher than the SMC classification.

SALARY REALLOCATION

Based on median percentile ranking at the 96th percentile, salary reallocation is not recommended given that the current salary meets the District’s goal to target the 70th percentile.

The following chart shows related classifications in this job discipline and salary allocation for each classification.

JOB TITLE	RANGE	MIN	MAX	% DIFF BETWEEN LEVELS
Chief of Police	A20	\$16,420	\$18,103	40.70%
Community College Police Captain	M33	\$11,670	\$14,184	30.74%
Community College Police Sergeant (Proposed Salary Reallocation) **	M22	\$8,926	\$10,850	28.06%
Community College Police Officer	P42	\$6,970	\$8,471	

** Proposed in a subsequent Agenda item.

Cyclical review results have been sent to the incumbent, Department Management, Business Services, Human Resources, and executive leadership.

RECOMMENDATION

It is recommended that the Commission approve the proposed classification description revisions for the Community College Police Captain.

Take command of the Campus Police Department in the absence of the Chief of Police

Interpret, analyze, and apply laws, rules, policies, and procedures

Maintain accurate and detailed records and logs

Research pertinent issues, collect and analyze data, and compile information

Develop effective policies and procedures

Prepare logical, concise, and well-written reports

Make effective oral presentations

Communicate effectively, both orally and in writing

Utilize the principles and practices of effective and persuasive communication to elicit information, negotiate problem resolution, influence and solicit cooperation and seek and obtain support

Exercise a high degree of initiative, judgment, self-management, discretion and decision-making to integrate organizational priorities, meet deadlines and achieve objectives

Think clearly and act rationally in high-pressure situations and quickly make appropriate decision in emergency situations

Model professional integrity and ethics and deal quickly with breaches and misconduct

Understand internal and external customer immediate and long term needs to provide viable solutions and recommendations

Utilize organizational funds, material resources and staffing levels wisely and strategically

Create a positive work environment and ensure that clear, challenging and attainable goals are set for assigned groups and aligned with organizational objectives

Establish and maintain effective working relationships with others encountered in the course of work, supporting a climate of anti-racism and mutual respect that values people of all backgrounds, demographics, and experiences

MINIMUM QUALIFICATIONS

Education Requirement:

Bachelor's degree or equivalent from an accredited college or university.

Experience Requirement:

Six years of experience in a sworn Peace Officer position, including two years' experience in a supervisory capacity at or above the level of police sergeant.

Education/Experience Equivalency:

Experience and/or education of the same kind, level or amount as required in the minimum qualifications may be substituted as permitted by POST requirements for the certifications listed below.

Licensure and/or Certification:

Possess or be eligible to obtain a POST Advanced and Supervisory Certificates at the time of appointment.

Must obtain a POST Management Certificate within 24 months of appointment.

First Aid and CPR certificates are required within 6 months of hire.

A valid Class C California driver's license.

Special Requirements:

Must be free of any felony convictions or misdemeanor convictions involving domestic violence and meet all minimum selection standards of a peace officer as specified by POST

Must be legally authorized to work in the United States under federal law.

Successful passage of the POST Physical Standards for a Peace Officer.

Must meet the District and POST medical and psychological standards, including hearing and vision requirements.

Must pass a thorough background investigation (including polygraph), in accordance with POST and District Standards.

WORKING CONDITIONS AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Working Conditions and Physical Demands:

Work is performed indoors and outdoors in a variety of locations to include on-site work at calls and incidents, in a District vehicle, and at the College Police Station. While working indoors, the environment may resemble a normal office environment in which the employee is regularly required to sit, and use hands to keyboard, type, or handle materials. When working outdoors: may be exposed to the elements; may work under damp or dry conditions; crouch, walk, bend, reach, twist, drag, lift, and carry items weighing 45 pounds or more; prolonged sitting, standing, and grasping. Employees in this classification must be able to run for extended times over various distances and conditions, such as pursuing a running suspect through yards and over fences and walls; observe and recognize people, activities, vehicles, street signs, environmental conditions from a reasonable distance during day or night. Employees in this classification may be exposed to dust, chemicals, solvents, grease/oil, fumes, electrical and mechanical hazards, vehicular traffic, vibration, and noise; may administer first aid and in an emergency, push, pull, drag, and move individuals and/or others weighing 150 pounds or more; may be exposed to blood or other bodily fluids or communicable diseases. Must be able to meet the physical requirements of the class and have mobility, vision (including the ability to distinguish colors), speaking, hearing, sense of smell, dexterity levels appropriate to the duties to be performed, ability to use both hands and legs appropriate to the duties to be performed. Employees in this classification will be exposed to stressful and

emergency situations and must be able to work irregular hours and schedules, and effectively respond to emergency incidents.

CLASS DETAIL

<i>Class History:</i>	Campus Police Captain
<i>Revision Date(s):</i>	01/19/11, 02/21/2018, 7/21/2021, 9/7/202103/15/23, 11/1/23

Agenda Report Number	3
Subject	Classification Revisions: Chief of Police
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	Karen Monzon, Personnel Analyst

BACKGROUND

Attached for your approval are the classification revisions for **Chief of Police**.

As part of the cyclical review process, we are reviewing classifications in the Campus Safety job discipline. The Chief of Police manages and directs daily operations and activities of the Santa Monica Community College District Police Department and oversees the district-wide emergency preparedness programs.

The Chief of Police classification was established in April 1983. This classification has been revised twice since its establishment. The most recent revision was approved in March 2023. There is currently one permanent incumbent in this classification. The proposed changes will not adversely affect the incumbent.

METHODOLOGY

This study was scheduled in the cyclical review calendar for 2022-23. The incumbent from the Chief of Police classification, was invited to participate in a class study orientation on December 13, 2022, to discuss the purpose of the study, methodology, timelines, possible outcomes, implications, and frequently asked questions. The incumbent was requested to complete a Position Description Questionnaire (PDQ) by February 3, 2023.

Personnel Commission staff consulted with Mike Tuitasi, Vice President of Student Affairs, to discuss the classification description. In addition, Mr. Tuitasi was requested to complete a duty analysis worksheet by rating the frequency and criticality of each duty in the current class description. Additionally, revisions are proposed to clarify duties assigned, knowledge and abilities required for the job, and to the minimum qualifications required of new employees.

Additionally, a job evaluation and an external salary study of public agencies with positions that have comparable duties and responsibilities was conducted. Salary data was gathered based on the comparison of positions with the level of duties and responsibilities most similar to the subject position.

RESULTS

Based on data gathered, class description revisions are being proposed to include a more accurate description of the work performed. Additional changes serve to clarify the concept of the class, essential duties, KSAs (knowledge, skills and abilities) and minimum qualifications.

A comprehensive survey of comparable agencies was conducted. The salary survey of standard benchmark organizations resulted in moderate to strong matches, which are identified and presented below, with some variability in assigned functions but with comparable levels of responsibility.

AGENCY	JOB TITLE	MIN	MAX	MEDIAN
Santa Monica College	Chief of Police	\$16,420	\$18,103	\$17,262
Cerritos College	Chief, Campus Police Services	\$12,701	\$16,963	\$14,832
Contra Costa CCD	Chief of Police	\$10,609	\$12,927	\$11,768
Glendale College	Chief of Police	\$9,432	\$12,036	\$10,734
Mt. San Antonio College	Chief, Police and Campus Safety	\$14,671	\$16,010	\$15,341
Pasadena City College	Chief, Police and Safety Services	\$11,786	\$14,327	\$13,056
Riverside CCD	Chief of Police	\$14,127	\$17,199	\$15,663
State Center CCD	Police Chief	\$10,486	\$11,183	\$10,835
Ventura County CCD	Chief of Police	\$11,621	\$15,574	\$13,598
	Average	\$11,929	\$14,527	\$13,228
	25th Percentile	\$10,578	\$12,704	\$11,535
	50th Percentile	\$11,703	\$14,950	\$13,327
	75th Percentile	\$13,057	\$16,248	\$14,959
	80th Percentile	\$13,556	\$16,582	\$15,137
	90th Percentile	\$14,290	\$17,034	\$15,437
	SMC % RANK	100%	100%	100%
	SMC Difference From AVG	27.4%	19.8%	23.4%
	SMC Difference From MED	28.7%	17.4%	22.8%

**The midpoint or 50th percentile of data; a calculation that is not as susceptible to extreme high or low values in a dataset, as compared to the average. Due to variability in the number of steps per range in comparable agencies, the median provides a more accurate comparison between agencies.*

The current salary for the Chief of Police is A20 on the Classified Administrator’s Salary Schedule. In this survey, SMC is in the 100%th median percentile compared to all benchmark agencies with comparable classifications.

SALARY REALLOCATION

Based on median percentile ranking at the 100th percentile, salary reallocation is not recommended given current salary meets the District’s goal to target the 70th percentile. The following chart shows related classifications in this job discipline and salary allocation for each classification:

JOB TITLE	RANGE	MIN	MAX	% DIFF BETWEEN LEVELS
Chief of Police	A20	\$16,420	\$18,103	40.70%
Community College Police Captain	M33	\$11,670	\$14,184	30.74%
Community College Police Sergeant (Proposed Salary Reallocation)**	M22	\$8,926	\$10,850	28.06%
Community College Police Officer	P42	\$6,970	\$8,471	

**Proposed in a subsequent agenda item.

Cyclical review results have been sent to the incumbent, Department Management, Business Services, Human Resources, and executive leadership.

RECOMMENDATION

It is recommended that the Commission approve the proposed classification description revisions for the Chief of Police.

Agenda Report Number	4
Subject	Classification Revisions and Salary Reallocation: Community College Police Sergeant
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	Karen Monzon, Personnel Analyst

BACKGROUND

Attached for your approval are the classification revisions and salary reallocation for **Community College Police Sergeant**.

As part of the cyclical review process, we are reviewing classifications in the Campus Safety job discipline. The Community College Police Sergeant serves as the Watch Commander for the SMC Police Department. This role is responsible for enforcing District policies, procedures, safety regulations and ensuring a safe environment for students, staff and the public.

The Community College Police Sergeant classification was established in June 1977. This classification has been revised several times since its establishment. The most recent revision was approved in March 2023. There are currently three permanent incumbents in this classification.

METHODOLOGY

This study was scheduled in the cyclical review calendar for Fiscal Year 2022-23. Incumbents were invited to participate in a class study orientation, to discuss the purpose of the study, methodology, timelines, possible outcomes, implications, and frequently asked questions. Incumbents were asked to complete a Position Description Questionnaire by February 3, 2023.

Personnel Commission staff consulted with Johnnie Adams, Chief of Police, to discuss the classification description. In addition, the Chief of Police was requested to complete a duty analysis worksheet by rating the frequency and criticality of each duty in the current class description. Additionally, revisions are proposed to clarify duties assigned and knowledge and abilities required for the job to more accurately reflect the nature of the work required.

Additionally, a job evaluation and an external salary survey of public agencies with positions that have comparable duties and responsibilities was conducted. Salary data was gathered based on the comparison of positions with the level of duties and responsibilities most similar to the subject position.

RESULTS

Based on data gathered, class description revisions are being proposed, to include a more accurate description of the work performed. Additional changes serve to clarify the concept of the class, essential duties, KSAs (knowledge, skills and abilities) and minimum qualifications.

The salary survey of standard benchmark agencies resulted in moderate to strong matches, which are identified and presented below, with some variability in assigned functions but with comparable levels of responsibility.

AGENCY	JOB TITLE	MIN	MAX	MEDIAN
Santa Monica College	Community College Police Sergeant	\$8,501	\$10,333	\$9,417
Contra Costa CCD -	Police Services Sergeant	\$7,537	\$9,183	\$8,360
El Camino College	Campus Police Sergeant	\$8,201	\$10,559	\$9,380
Foothill De Anza CCD	Police Sergeant	\$7,861	\$10,550	\$9,206
Glendale College	Police Sergeant	\$7,019	\$8,950	\$7,985
Mt. San Antonio College	Sergeant, Police and Campus Safety	\$9,997	\$11,250	\$10,624
Pasadena City College	Sergeant, Police & Safety Services	\$8,739	\$10,686	\$9,712
Riverside CCD	Sergeant	\$9,582	\$11,665	\$10,624
	Average	\$8,419	\$10,406	\$9,413
	25th Percentile	\$7,699	\$9,867	\$8,783
	50th Percentile	\$8,201	\$10,559	\$9,380
	75th Percentile	\$9,160	\$10,968	\$10,168
	80th Percentile	\$9,413	\$11,137	\$10,441
	90th Percentile	\$9,748	\$11,416	\$10,624
	SMC % RANK	59.2%	30.6%	51.8%
	SMC Difference From AVG	1.0%	-0.7%	0.0%
	SMC Difference From MED	3.5%	-2.2%	0.4%

**The midpoint or 50th percentile of data; a calculation that is not as susceptible to extreme high or low values in a dataset, as compared to the average. Due to variability in the number of steps per range in comparable agencies, the median provides a more accurate comparison between agencies.*

The current salary range for Community College Police Sergeant is M20 on the Classified Management Salary Schedule. In this survey, SMC is in the 51.8% median percentile compared to all benchmark agencies with comparable classifications, that is, 48.2% of market comparables were paid higher than the SMC classification.

SALARY ALLOCATION

It is recommended that the salary for Community College Police Sergeant be reallocated from M20 to M22 on the Classified Management Salary Schedule, a 5% increase. The proposed increase would place the median salary for this classification at the 70th percentile compared to the market median. Salary reallocation is justified given that it meets the College’s goal to target base median salary at the 70th percentile.

Cyclical review results have been sent to the incumbents, Department Management, Business Services, Human Resources, and executive leadership.

The following chart shows related classifications in this job discipline and salary allocation for each classification:

JOB TITLE	REPORTS TO	RANGE	MIN	MAX	% DIFF BETWEEN LEVELS
Chief of Police	Vice President of Student Affairs	A20	\$16,420	\$18,103	40.70%
Community College Police Captain	Chief of Police	M33	\$11,670	\$14,184	30.74%
Community College Police Sergeant (Proposed Salary Reallocation)	Chief of Police	M22	\$8,926	\$10,850	28.06%
Community College Police Officer	Chief of Police	P42	\$6,970	\$8,471	

RECOMMENDATION

It is recommended that the Commission approve the proposed classification description revisions and salary reallocation for Community College Police Sergeant as follows:

FROM: M20 – Classified Management Salary Schedule

TO: M22 – Classified Management Salary Schedule

Must pass a 12-month probationary period in this position.

~~Required to wear various uniforms and body armor, carry and use approved firearms and weapons within the confine of the law in a safe and responsible manner.~~

WORKING CONDITIONS AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Normal Office Environment:

Work is performed indoors and outdoors in a variety of locations to include on-site work at calls and incidents, in a District vehicle, and at the College Police Station. While working indoors, the environment may resemble a normal office environment in which the employee is regularly required to sit, and use hands to keyboard, type, or handle materials. When working outdoors: may be exposed to the elements; may work under damp or dry conditions; crouch, walk, bend, reach, twist, drag, lift, and carry items weighing 45 pounds or more; prolonged sitting, standing, and grasping. Employees in this classification must be able to run for extended times over various distances and conditions, such as pursuing a running suspect through yards and over fences and walls; observe and recognize people, activities, vehicles, street signs, environmental conditions from a reasonable distance during day or night. Employees in this classification may be exposed to dust, chemicals, solvents, grease/oil, fumes, electrical and mechanical hazards, vehicular traffic, vibration, and noise; may administer first aid and in an emergency, push, pull, drag, and move individuals and/or others weighing 150 pounds or more; may be exposed to blood or other bodily fluids or communicable diseases. Must be able to meet the physical requirements of the class and have mobility, vision (including the ability to distinguish colors), speaking, hearing, sense of smell, dexterity levels appropriate to the duties to be performed, ability to use both hands and legs appropriate to the duties to be performed. Employees in this classification will be exposed to stressful and emergency situations and must be able to work irregular hours and schedules, and effectively respond to emergency incidents.

~~Works outside. Walks and drives a vehicle. Exposed to various weather conditions and potential combative and stressful situations that may be dangerous or life threatening. Sitting and standing for extended periods of time. Works on holidays, weekends, nights and/or rotating shifts.~~

CLASS DETAIL

Job Family:	Public Safety
FLSA Status:	Non-exempt
Personnel Commission Approval Date:	06/1977
Class History:	Campus Police Sergeant
Revision Date(s):	07/20/88, 03/17/93, 10/16/95, 12/21/05, 05/18/11; 03/15/23, 11/1/2023

Agenda Report Number	5
Subject	New Class Description and Salary Allocation: Theatre Arts Operations Assistant
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	August Faustino, Personnel Analyst

BACKGROUND

Attached for your approval is a new classification description and salary allocation for **Theatre Arts Operations Assistant**.

This new classification will perform specialized theatre duties to support the Theatre Arts Department, including but not limited to marketing and publicizing events, relationship building with industry partners, applying for production rights, records management and outreach. The Theatre Arts Operations Assistant will report to the Director of Facilities Programming.

METHODOLOGY

Personnel Commission staff worked with Rob Rudolph, Director of Facilities Programming and Perviz Sawoski, Theatre Arts Department Chair to develop the new role. Discussions took place to define and clarify the parameters of the proposed classification, and to make an initial recommendation as to whether the proposed job duties fit into an existing classification, or if a recommendation for a new classification was warranted. Following discussion and review of job duties submitted and labor market research, a list of job duties was finalized, along with a list of knowledge, skills, and abilities (KSAs). Reporting relationships were defined, and recommendations for minimum requirements were discussed and compared with other classifications within this occupational series.

A Job evaluation and external salary study was conducted to identify similar roles in comparable agencies. Internal comparisons were also reviewed in order to ensure that there is proper alignment within other classifications, and duties were adequately distinguished from other related classifications. Once the duties were finalized, Commission staff prepared the class description and salary proposal and sent recommendations for review to senior leadership and union partners.

Commission staff will conduct further meetings with Department management prior to opening recruitment, in order to gather and analyze documentation for developing a recruitment plan and creating talent assessment content.

RESULTS

Key factors in determining that a new classification should be established involved the scope of responsibilities, knowledge required for the position, scope and effect of work, level of complexity, nature and purpose of contacts in the course of work, and level of decision-making. The individual selected for this position will:

- Compile data related to theatrical productions, prepare informational and or descriptive statistical reports; maintain records; budget accounts and inventory; communicate with vendors in collaboration with procurement department; place service calls/work orders.
- Coordinate writing and design of departmental promotional materials; maintain and update Theatre Arts Department website and bulletin boards; develop creative content campaigns for social media to showcase Theatre Arts Department activities and productions, boosting engagement and driving future traffic.
- Perform a variety of clerical duties for the Department of Theatre Arts; maintain databases and spreadsheets; compose, edit and format letters, emails, reports; proofread and edit documents, create and distribute meeting agendas and minutes.

A comprehensive salary survey of 16 comparable agencies was conducted to examine industry trends and determine current salary ranking. Sufficient market data was not available to utilize percentile ranking method of salary placement (i.e., at least 30% of surveyed jobs should be matched). Comparable agencies did not have a specialized role that matched the job purpose for Theatre Arts Operations Assistant. As a result, salary allocation is recommended based on internal alignment with similar roles at the College.

SALARY ALLOCATION

It is recommended that the salary for the Theatre Arts Operations Assistant be allocated to Range 29 on the Classified Employee Salary Schedule. The goal was to recommend a competitive salary to attract, motivate and retain qualified candidates through effective promotional paths.

Based on job analysis findings, higher paid roles require a higher level of technical knowledge and experience, more independent decision-making, and wider scope/impact of work. Please see salary data for jobs in the Performing Arts job discipline at the College.

JOB TITLE	RANGE	MIN	MAX	% DIFF BETWEEN LEVELS
Theatre Technical Director	43	\$7,324	\$8,903	10.25%
Lead Theater Technician	39	\$6,643	\$8,075	4.99%
Theatre Technical Specialist	37	\$6,327	\$7,690	10.25%
Theater Technician	33	\$5,739	\$6,975	4.99%
Event Scheduling Specialist	31	\$5,466	\$6,643	4.99%
Theatre Arts Operations Assistant (New)	29	\$5,206	\$6,327	

The proposal for this new classification was sent for review to Department leadership, CSEA, Business Services, Human Resources, and the Superintendent/President.

RECOMMENDATION

It is recommended that the Commission approve the new class description and salary allocation for Theatre Arts Operations Assistant at Range 29 on the Classified Employee Salary Schedule.

**Santa Monica Community College District
Personnel Commission

Theatre Arts Operations Assistant**

CONCEPT OF THE CLASS

Under general supervision, this position performs a variety of specialized theatre duties to support the Theatre Arts department, which involves marketing and publicizing theatre events and activities, relationship building with industry partners, applying for production rights, records management, and outreach.

DISTINGUISHING CHARACTERISTICS

A **Theatre Arts Operations Assistant** performs specialized duties to support the Theatre Arts department in general operations and in theatre productions.

A **Theatre Technical Specialist** performs technical duties in a specialized area of theatre production, including audio, electrical or rigging for productions and events.

ESSENTIAL DUTIES

Compiles data related to theatrical productions, prepares informational and or descriptive statistical reports; maintains records of box office receipts, departmental requisitions, invoices, budget accounts and inventory; communicates with vendors in collaboration with procurement department; places service calls/work orders.

Performs a variety of clerical duties for the Department of Theatre Arts; maintains databases and spreadsheets; composes, edits and formats letters, emails, reports; proofreads and edits documents, organizes and disseminates information; creates, formats and distributes meeting agendas and minutes; attends meetings and maintains background and historical materials/documentation.

Coordinates writing and design of departmental promotional materials; maintains and updates Theatre Arts Department website and bulletin boards, ensuring accessibility.

Develops engaging and creative content campaigns for social media accounts to showcase Theatre Arts Department activities and productions; responds to comments and messages from followers in a timely manner to boost engagement and drive future traffic.

Assists in developing and monitoring individual budgets for departmental productions, compiles and organizes budget information.

Identifies and locates the copyright holders for specific theatrical works to be performed; prepares and applies for theatrical license rights, follows up to ensure the college is compliant with licensing requirements.

Creates and maintains primary departmental production calendar including all presentations, productions and performance planning critical dates.

Develops and fosters relationships with industry and community partners and other educational institutions to improve aspects of performance operations and promote theatrical productions.

Provides logistical production support in the form of corresponding with organizers, scheduling, venue usage, technical support, procuring production materials and organizing travel for performances, festivals and competitions.

Participates in departmental outreach activities with youth summer camps and area high schools to increase attendance at Theatre for the Younger Audience events and to support college regular and dual enrollment efforts.

Participates with faculty and department management in strategy development for new innovative programs; researches and gathers related information for department planning and production meetings.

Performs other related duties as requested or assigned.

Examples of essential duties are descriptive and not restrictive in nature and are generally listed in descending order of importance.

SUPERVISION

Level of Supervision Received

Positions in this classification receive general supervision from the Director of Facilities Programming or assigned administrator.

Level of Supervision Exercised

Positions in this classification do not supervise other classified positions.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

Theatre and entertainment industry principles, practices and terminology

Rules, processes and procedures for obtaining theatrical performance rights

Current trends and practices in social media and other emerging technologies related to digital marketing

Principles of marketing, promotion and advertising

Rules, regulations, laws and policies governing community college districts

Customer service principles and techniques

Modern office procedures, practices and equipment

Records management practices and procedures including electronic filing practices

English usage, vocabulary, spelling, grammar and punctuation

Basic bookkeeping practices and procedures

Computer applications and programs that support this level of work including creating and editing documents, spreadsheet, presentation, data management, document scanning and web/video conferencing

Ability to:

Set priorities and independently manage time and work in a fast-paced and busy environment with multiple tasks and interruptions

Communicate effectively, both orally and in writing

Craft social media content and engage with online users

Operate a computer using word processing and other business software, and standard office equipment

Interpret and follow oral and written instructions

Exercise sound independent judgment within assigned areas of responsibility

Role model exceptional internal and external customer service

Demonstrate knowledge of diversity, equity, inclusion, and accessibility principles and participate in related training

Establish and maintain effective working relationships with others, supporting a climate of anti-racism and mutual respect that values people of all backgrounds, demographics, and experiences

MINIMUM QUALIFICATIONS

Education Requirement:

High school diploma or equivalent. An associate's degree in theatre arts, liberal arts, communication, business administration or a closely related field is preferred.

Experience Requirement:

Two years of clerical experience in an academic theatre department, performing arts center or other entertainment-oriented productions, activities, and events.

Education/Experience Equivalency:

Experience and/or education of the same kind, level and amount as required in the minimum qualifications may be substituted on a year-for-year basis.

Licensure and/or Certification:

None

WORKING ENVIRONMENT AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Normal Office Environment:

While performing the duties of this job, the employee is regularly required to sit, use hands to keyboard, type, or handle materials, and talk and/or hear. The employee is frequently required to stand, walk, and reach. The employee is regularly required to lift, carry, push, or pull up to 10

pounds. While performing the duties of this job, the noise level in the work environment is usually quiet.

Agenda Report Number	6
Subject	Ratification of Working out of Class and Internal Limited Term Assignments
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission

It is recommended that the Personnel Commission approve the following working out of class and internal limited term assignment(s).

Provisional Working out of Class Assignment

Name/Permanent Class	Provisional WOC Assignment	Assignment Dates
Karen Monzon, Personnel Analyst	Human Resources Analyst – Employee & Labor Relations (Confidential)	11/1/2023 to 3/5/2024
Abigail Orosz, International Student Services Specialist	Professional Development Coordinator	11/16/2023 to 3/14/2024

**Merit Rule 3.2.10 Working Out of Class
(Education Code Section 88010, 88087, 88106 - 88108)**

3.2.10

CONCEPT OF WORKING OUT OF CLASSIFICATION

1. Each classified employee shall be required to perform the duties of the position approved by the Board and classified by the Personnel Commission for the class to which he or she is assigned. An employee may be required to perform other related duties consistent with the concept of the classification to which the position is assigned.
2. Classified employees shall not be required to perform duties and responsibilities which are not fixed and prescribed for their positions or are not consistent with the concept of the classification of their current position for any period of time which exceeds five (5) working days within a fifteen (15) calendar day period, or equivalent (i.e., four 10-hour working days within a fifteen (15) calendar day period) except as provided by this rule.
3. Working out of class assignments are designed for temporary situations and shall not be used to place an employee in a long-term or permanent assignment in a higher or different classification. No employee shall be assigned to work out of class beyond the time limits

specified in Merit Rule 7.2 (Provisional Appointments) and Merit Rule 7.4 (Limited Term Appointments).

Procedure for Supervisor Requesting Approval for Working Out of Class

3. The Director of Classified Personnel will advise the Office of Human Resources of the findings and shall present those findings, including the recommended pay differential, to the Personnel Commission for approval. Confirmation of this approval shall then be sent by the Personnel Commission to the Supervisor and the employee, and forwarded to the Board of Trustees for final approval.

Agreement between Santa Monica Community College and CSEA, Chapter 36, Article 11

11.7 Work Out of Classification

11.7.1 Definition:

Working out of classification assignments shall not exceed a period of ninety (90) working days per fiscal year and no more than ninety (90) days in any one hundred eighty (180) day period.

11.7.3 Compensation:

a. In the event that an employee is assigned duties at a higher classification as defined above and those duties make up at least fifty percent (50%) of the employee's daily assignments, the employee salary shall be adjusted as set forth in Section 11.4.1.

b. If those duties make up less than fifty percent (50%) of the employee's daily assignment, the District shall pay the employee equal to one half (1/2) of the stipend that would have been paid under sub division a (above)

11.4 Salary on Promotion

11.4.1 When an employee is promoted to a position in a higher salary range, he/she shall receive the next higher dollar amount above his/her present rate of pay, but not less than the minimum of the new salary range. If that amount is less than a one-step (5%) increase, the employee shall be placed at the next higher step over that authorized above.

Merit Rule 7.4 Limited Term (Temporary) Appointments (Education Code Section 88105)

7.4.1 LIMITED TERM POSITIONS DEFINED

Positions established to perform duties which are not expected to exceed six months in one fiscal year shall be designated as temporary limited-term positions.

Positions established to replace temporarily absent employees shall be designated as substituted limited-term positions.

7.4.2 PROCEDURE FOR ESTABLISHMENT OF LIMITED-TERM POSITIONS

When a temporary or substitute limited-term position is established, the appointing authority shall notify the Director of Classified Personnel in writing of the hours, starting date, and probably length of the assignment. Establishment of limited-term positions shall be subject to ratification by the Board of Trustees at their next regular meeting.

Substitute limited-term appointments may be made for the duration of the absence of a regular employee but need not be for the full duration of the absence. The appointment may be in the same class as that of the absent employee or the duties may be reduced in level and the appointment may be made in a lower class. The duration of the appointment shall not exceed the authorized dates of absence of the regular employee.

7.4.3 ELIGIBILITY FOR APPOINTMENT

Limited-term appointments shall be made from eligibility lists and employment lists in accordance with procedures for regular appointments.

RECOMMENDATION

It is recommended that the Personnel Commission approve the requests for working out of class and limited term assignments for the appropriate stipend as indicated under the above applicable sections of CSEA, Chapter 36, Article 11.7, and Merit Rules 3.2.10 and 7.4.

Agenda Report Number	8
Subject	New Classification Description and Salary Allocation: Information Technology Support Specialist
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	John Linke, Supervising Personnel Analyst

BACKGROUND

Attached for your approval is a new classification description and salary allocation for **Information Technology Support Specialist**.

The Information Technology department is currently undergoing a reorganization to align their user support operations with the IT Master Plan and enhance operational consistency across District sites. As part of this effort, management has requested the creation of two new classifications, the Information Technology Support Specialist and Senior Information Technology Support Specialist, that will provide IT technical support services to District staff and students and ensure that technology resources are accessible to users across all District sites. These classifications will incorporate duties from existing multimedia and computer technical support classifications and help to streamline operations while providing a promotional pathway for existing District employees. This position will report to the IT User Support Manager.

METHODOLOGY

Personnel Commission staff discussed this new role with Matthew Kiaman, Director of Network Services. Discussions took place to define and clarify the parameters of the proposed classification, and to make an initial recommendation as to whether the proposed job duties fit into an existing classification, or if further study was needed to assess the need for a new classification. Following discussion and review of job duties submitted and labor market research, a list of job duties was finalized, along with a list of knowledge, skills, and abilities (KSAs). Reporting relationships were defined, and recommendations for minimum requirements were discussed and compared with other related classifications.

A job evaluation and external salary study were conducted to identify similar roles in comparable agencies. Internal comparisons were also reviewed to ensure proper alignment with, and delineation from, related IT classifications. Once the duties were finalized, Commission staff prepared the class description and salary proposal, and sent recommendations for review to stakeholders.

RESULTS

Key factors in determining the need for a new classification consist of the knowledge required for the position, scope and effect of work, level of complexity, nature and purpose of contacts in the course of work, and level of decision-making. Incumbents in this classification will:

- Provide broad end user technology support and training to facilitate access to District systems, computers, software, audio visual equipment and peripherals by responding to user requests in-person, by phone, and electronically; provide timely response and resolution to requests and escalate issues to appropriate information technology personnel as needed.
- Perform moves, adds, changes, repairs, testing, and maintenance of software and IT hardware including computers, monitors, scanners, speakers, and other peripheral devices at all college locations including employee offices, computer labs, and classrooms to provide end users with current and consistent access to hardware and software.
- Maintain and troubleshoot basic audio-visual equipment issues, including podium PCs and peripherals; transport, set up, and operate audio/video equipment for District activities; coordinate efforts with other College personnel and refer as needed.

A comprehensive salary survey of 16 comparable agencies was conducted to examine industry trends and determine current salary ranking. This survey yielded several strong to moderate matches as indicated below, with some variability in assigned functions but with comparable levels of responsibility.

AGENCY	JOB TITLE	MIN	MAX	MEDIAN ¹	STUDENT FTE	GF REVENUE ACTUAL
Santa Monica College	Information Technology Support Specialist (proposed)	\$6,327	\$7,690	\$7,009	22,135	\$244M
Cerritos College	Technical Support Specialist	\$6,137	\$7,381	\$6,759	16,881	\$161M
El Camino College	Computer Systems Support Technician	\$6,860	\$8,827	\$7,844	16,062	\$182M
Long Beach City College	Help Desk Support Specialist	\$5,955	\$7,346	\$6,651	20,226	\$192M
North Orange County CCD	IT Technician I	\$6,048	\$7,302	\$6,675	33,960	\$321M
Santa Barbara City College	Technology Services Specialist	\$7,096	\$8,645	\$7,870	12,038	\$153M
State Center CCD	IT Customer Support Technician	\$5,712	\$7,024	\$6,368	29,832	\$330M
Ventura County CCD	Information Technology Support Specialist I	\$5,430	\$7,489	\$6,460	26,232	\$245M
	Average	\$6,177	\$7,716	\$6,947		
	25th Percentile	\$5,833	\$7,324	\$6,555		
	50th Percentile	\$6,048	\$7,381	\$6,675		
	75th Percentile	\$6,498	\$8,067	\$7,301		
	80th Percentile	\$6,715	\$8,414	\$7,627		
	90th Percentile	\$6,954	\$8,718	\$7,854		
	SMC % RANK	71.0%	69.5%	70.5%		
	SMC Differences From AVG	2.4%	-0.3%	0.9%		
	SMC Differences From MED	4.4%	4.0%	4.8%		

¹The midpoint or 50th percentile of data; a calculation that is not as susceptible to extreme high or low values in a dataset, as compared to the average. Due to variability in the number of steps per range in comparable agencies, the median provides a more accurate comparison between agencies.

SALARY ALLOCATION

Based on external market data presented above, it is recommended that salary for the Information Technology Support Specialist be allocated to **Range 37** on the Classified Employees Salary Schedule. This will place the median salary at the 71st percentile, which satisfies the District’s target of 70th percentile. Allocating the salary one range lower will result in a median salary at the 68th percentile, which is below the District’s 70th percentile target.

The following chart shows classifications within the proposed series.

JOB TITLE	RANGE	MIN	MAX	% DIFFERENCE BETWEEN LEVELS
Director of Network Services	A15	\$14,539	\$16,029	37.35%
IT User Support Manager	M29	\$10,585	\$12,866	24.84%
IT User Systems Administrator	49	\$8,479	\$10,306	21.55%
Senior Information Technology Support Specialist (Proposed)	41	\$6,975	\$8,479	10.24%
Information Technology Support Specialist (Proposed)	37	\$6,327	\$7,690	5.00%
Academic Computing Instructional Specialist (Proposed for Abolishment)	35	\$6,026	\$7,324	5.00%
Multimedia Technician (Proposed for Abolishment)	33	\$5,739	\$6,975	

The class description and salary allocation were reviewed in labor-management as part of reorganization efforts in IT. See subsequent agenda report on the consolidation of Academic Computing Instructional Specialist and Multimedia Technician.

RECOMMENDATION

It is recommended that the Commission approve the attached new class description and salary allocation for Information Technology Support Specialist to Range 37 on the Classified Employee Salary Schedule.

Personnel Commission**

Information Technology Support Specialist

CONCEPT OF THE CLASS

Under general supervision, positions in this classification respond to technical support requests from end users, including College employees and students, to facilitate effective and secure access to District supported technology resources. Incumbents troubleshoot, move, add, replace, repair, configure and maintain multi-platform computer hardware and software, computer peripherals, audio-visual and multimedia equipment, and other information technology equipment.

DISTINGUISHING CHARACTERISTICS

The **Information Technology Support Specialist** provides technical support and training to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

The **Senior Information Technology Support Specialist** serves as a project lead for complex end user computing projects, assists lower-level IT staff with complex end user support issues, and provides complex technical support to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

The **IT User Systems Administrator** facilitates end user access to IT resources by planning, analyzing, implementing, and monitoring system capacity and resource allocation in physical and virtual infrastructure with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy. This position serves in a lead capacity to assigned user support staff in the Information Technology department.

ESSENTIAL DUTIES

Provides broad end user technology support and training to facilitate access to District systems, computers, software, audio visual equipment and peripherals by responding to user requests in-person, by phone, and electronically; provides timely response and resolution to requests and escalates issues to appropriate information technology personnel as needed.

Performs moves, adds, changes, repairs, testing and maintenance of software and IT hardware including computers, monitors, scanners, speakers, and other peripheral devices at all college locations including employee offices, computer labs, and classrooms to provide end users with current and consistent access to hardware and software.

Maintains and troubleshoots basic audio-visual equipment issues, including podium PCs and peripherals; transports, sets up, and operates audio/video equipment for District activities; coordinates efforts with other College personnel and refers as needed.

Creates new images from scratch using appropriate scripting, security, management and deployment tools for smaller, moderately complex ad-hoc deployments using applicable applications.

Performs hardware decommissioning activities and ensures hard drives are securely wiped or shredded according to established processes; updates and maintains department records, including hardware and software license inventory, and internal and customer-facing knowledge base/support resources.

Diagnoses basic network problems by visually inspecting connections and using basic tools (e.g., ping) to check connectivity; escalates problems to appropriate information technology personnel as needed.

Develops technical and procedural documentation as needed.

Assists in hiring and training student workers; schedules work hours and provides work direction to student workers.

Performs other related duties as requested or assigned.

Examples of essential duties are descriptive and not restrictive in nature and are generally listed in descending order of importance.

SUPERVISION

Level of Supervision Received

Under general supervision from the IT User Support Manager or designee, the employee receives assignments and is expected to carry them through to completion with substantial independence.

Level of Supervision Exercised

Positions in this classification do not supervise others. May provide work direction to student workers.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

Current Windows, Macintosh and mobile operating systems

Computer and mobile hardware, including PC, Mac, and peripheral equipment

Software commonly used in educational and office settings including, but not limited to, Adobe and Microsoft products

Methods and procedures for installing, configuring, upgrading, troubleshooting and repairing applicable software, hardware, peripherals, and basic audio-visual equipment issues

Field equipment set-ups and technical operations using microphones, speakers, projectors, laptops and optical playback decks

Operation and use of a wide variety of multimedia equipment

Processes, techniques, and systems related to image creation and basic network troubleshooting.

Ability to:

Organize, set priorities and exercise sound independent judgment within areas of assigned responsibility

Interpret, apply, and explain applicable laws and regulations, and District policies and procedures

Troubleshoot and identify issues related to hardware, software, peripherals, and basic audio-visual equipment issues

Operate a computer using computer applications, programs and standard office equipment

Organize and maintain specialized files and confidentiality of employee and student information

Communicate and train others on technical information effectively, both orally and in writing

Learn existing college technologies and stay updated and adaptable to new technologies including software, hardware, procedures and best practices

Safely and correctly use tools and equipment utilized in the installation, repair, and maintenance of computers and peripherals

Role model exceptional internal and external customer service

Establish and maintain effective working relationships with District management, staff, students, the public and others encountered in the course of work, in a diverse, multicultural and multi-ethnic educational environment

MINIMUM QUALIFICATIONS

Education Requirement:

Associate's degree in computer science or a related field.

Experience Requirement:

Two years of experience installing and maintaining computer hardware, software and peripherals in a multi-user, networked environment, or two years of experience providing technical support for the set-up and maintenance of audio/video equipment.

Education/Experience Equivalency:

Experience and/or education of the same kind, level and amount as required in the minimum qualifications may be substituted on a year-for-year basis.

Licensure and/or Certification:

A valid driver license.

WORKING ENVIRONMENT AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Normal Office Environment:

While performing the duties of this job, the employee is required to stand, walk, reach, and travel around the main campus or satellite locations to perform fieldwork. The employee is regularly required to sit, use hands to keyboard, type, or handle materials, and talk and/or hear. The employee is occasionally required to climb. The employee is frequently required to lift, carry, push or pull up to 50 pounds. While performing the duties of this job, the employee is also regularly required to stoop, bend, and crouch in small spaces, such as under a desk.

Job Family:	Information Technology
FLSA Status:	Non-exempt
Personnel Commission Approval Date:	8/16/2023
Class History:	None
Revision Date(s):	New Class

Agenda Report Number	9
Subject	Classification Consolidation and Abolishment of two classifications: Academic Computing Instructional Specialist and Multimedia Technician
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	John Linke, Supervising Personnel Analyst

BACKGROUND

The Information Technology department is currently undergoing a reorganization to align their user support operations with the IT Master Plan and enhance operational consistency across District sites. As part of this effort, management has requested the creation of two new classifications, the Information Technology Support Specialist and Senior Information Technology Support Specialist, which are presented for the Commission’s approval in separate agenda reports. The purpose of creating these two classifications was, in part, to consolidate the existing **Academic Computing Instructional Specialist** and **Multimedia Technician** classifications under the Information Technology Support Specialist.

Labor-management met on October 12, 2023, to discuss consolidation of these three classifications. The following process was agreed upon by labor-management during this meeting:

- The Academic Computing Instructional Specialist and Multimedia Technician classifications will be consolidated under the Information Technology Support Specialist.
- Incumbents in the Academic Computing Instructional Specialist and Multimedia Technician positions will be assigned to the Information Technology Support Specialist classification in permanent status, without the need for a probationary period, and will carry over their seniority credit and salary step from their current classification.
- The Academic Computing Instructional Specialist and Multimedia Technician classifications will be abolished upon consolidation.

The following chart shows classifications within the proposed series.

JOB TITLE	RANGE	MIN	MAX	% DIFFERENCE BETWEEN LEVELS
Director of Network Services	A15	\$14,539	\$16,029	37.35%
IT User Support Manager	M29	\$10,585	\$12,866	24.84%
IT User Systems Administrator	49	\$8,479	\$10,306	21.55%
Senior Information Technology Support Specialist (Proposed)	41	\$6,975	\$8,479	10.24%
Information Technology Support Specialist (Proposed)	37	\$6,327	\$7,690	5.00%
Academic Computing Instructional Specialist (Proposed for Abolishment)	35	\$6,026	\$7,324	5.00%
Multimedia Technician (Proposed for Abolishment)	33	\$5,739	\$6,975	

RECOMMENDATION

It is recommended that the Personnel Commission approve the consolidation of the Academic Computing Instructional Specialist and Multimedia Technician into the Information Technology Support Specialist, and the abolishment of the Academic Computing Instructional Specialist and Multimedia Technician classifications, as agreed upon in labor-management.

Subject	Classification Description Revisions: IT User Systems Administrator
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	John Linke, Supervising Personnel Analyst

BACKGROUND

Attached for your approval are class description revisions for **IT User Systems Administrator**. Changes to this classification were presented and approved at the regular Personnel Commission meeting on October 18, 2023.

While preparing to open recruitment, Personnel Commission staff found that the education/experience equivalency statement relating to minimum qualifications is inconsistent with standard verbiage. This study is not part of the cyclical review process.

METHODOLOGY

Personnel Commission staff discussed the proposed change with Matthew Kiaman, Director of Network Services, and Miguel Reyes, IT User Support Manager, and the equivalency criteria was updated to reflect standard verbiage. Additionally, the distinguishing characteristics were updated to include the proposed Senior Information Technology Support Specialist, which is presented for approval in a separate agenda report.

RECOMMENDATION

It is recommended that the Commission approve the proposed class description revisions for IT User Systems Administrator.

Personnel Commission**

IT User Systems Administrator

CONCEPT OF THE CLASS

Under general supervision, positions in this classification serve in a lead capacity to assigned IT user support staff. Incumbents plan, design, configure, deploy, monitor, and maintain the District's client computing infrastructure, including physical and virtual system capacity and resource allocation, as needed to efficiently provide end users with proper access to up-to-date applications and technology resources.

DISTINGUISHING CHARACTERISTICS

The IT User Systems Administrator facilitates end user access to IT resources by planning, analyzing, implementing, and monitoring system capacity and resource allocation in physical and virtual infrastructure with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy. This position serves in a lead capacity to assigned user support staff in the Information Technology department.

The IT User Support Manager plans and manages activities that facilitate District-wide end user access to personal computing hardware and cloud-based software applications through oversight of the IT help desk and management of related information systems.

The Information Systems Administrator class performs complex, highly specialized and technical activities to analyze, develop, configure, maintain, and administer core information systems and network services with mission-critical, District-wide impact.

The Senior Information Technology Support Specialist serves as a project lead for complex end user computing projects, assists lower-level IT staff with complex end user support issues, and provides complex technical support to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

ESSENTIAL DUTIES

Assists supervisory staff with providing work direction to Information Technology staff responsible for supporting end-user access to District technology resources.

Plans, analyzes, implements, and monitors system capacity, operations, and resource allocation in physical and virtual infrastructure to achieve optimal user experiences and prevent service interruptions with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy.

Administers and performs all levels of client computing delivery mechanisms, including hardware/software installation, configurations, maintenance, upgrade, software packaging and delivery, computer imaging and deployment, as well as desktop application provisioning and delivery in the virtual computing environment.

Independently troubleshoots and resolves complex technical issues and works as an effective team member with both technical staff and end users to plan and implement technical solutions to ensure integration and compliance of District-wide technical standards.

Analyzes, recommends, and implements college client technology and application deployment standards to improve the overall operational efficiency and cost effectiveness of services.

Researches, analyzes, evaluates, recommends, and implements automated system management approach to effectively deliver needed applications and technology resources to authorized users.

Works with supervisory and management staff to establish and develop technical operational procedures and documents to lead, guide, and train assigned Information Technology support staff; delivers training to District employees as needed.

Provides direct technical support to end users; assists departments in selecting proper technology equipment and software solutions.

Assists supervisory and management staff with recruiting, interviewing, and hiring of staff.

Performs other related duties as requested or assigned.

Examples of essential duties are descriptive and not restrictive in nature and are generally listed in descending order of importance.

SUPERVISION

Level of Supervision Received:

Under general supervision from the IT User Support Manager, the employee receives assignments and is expected to carry them through to completion with substantial independence.

Level of Supervision Exercised:

Positions in this classification do not supervise others, but serve in a lead capacity to IT user support staff and other assigned Information Technology staff.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

Operating systems, drivers, and application installation tools and procedures

On-premise and cloud, physical and virtual infrastructure, resource allocation, and capacity planning

District policies, fundamental employment laws, codes, and regulations including EEO, FLSA, FMLA, and Cal/OSHA and applicable provisions of collective bargaining agreements

Various virtual desktop, virtual application tools, technologies and associated deployment strategies

Directory structure, such as Microsoft Active Directory, Group Policies, and Windows Registry

Network protocols, internet architecture, and client/server theory and practices

Security and privacy protection techniques related to networks, servers, client devices, and applications

User authentication and access control mechanisms for computing resources, hardware, applications, and mobile computing

Scripting languages

Basic principles and practices of project management

Basic practices of customer service and conflict management

Ability to:

Provide lead direction to staff, which includes coordinating, delegating, monitoring, and directing work orders and project tasks

Organize, set priorities and exercise sound independent judgment and analysis within areas of assigned responsibility

Interpret, apply, and explain applicable laws and regulations, and District policies and procedures

Operate a computer using computer applications, programs and standard office equipment

Organize and maintain specialized files and confidentiality of employee and student information

Communicate effectively and train others on technical information, both orally and in writing

Learn existing college technologies and stay updated and adaptable to new technologies including software, hardware, procedures and best practices

Role model exceptional internal and external customer service
Safely and correctly use tools and equipment utilized in the installation, repair, and maintenance of computers and peripherals
Maintain composure and focus with a high workload, competing and conflicting demands and multiple interruptions
Establish and maintain effective working relationships with District management, staff, students, the public and others encountered in the course of work, in a diverse, multicultural and multi-ethnic educational environment

MINIMUM QUALIFICATIONS

Education Requirement:

Bachelor's degree from an accredited university or college in Computer Science, Computer Software Engineering, Information Science, or a closely related field

Experience Requirement:

Three years of experience using scripting and endpoint configuration management tools to deploy configurations in an organization with at least 50 users and 100 endpoints. Experience as a technology project lead is also required. Experience implementing and administering virtual server/client infrastructure is highly desirable.

Education/Experience Equivalency:

Additional experience of the same kind, level or amount as required in the minimum qualifications may be substituted for educational requirements on a year-for-year basis.

Experience and/or education of the same kind, level and amount as required in the minimum qualifications may be substituted on a year-for-year basis.

Licensure and/or Certification:

Valid driver license .
Microsoft Certified System Engineer (MCSE), A+, and/or Cisco Certified Network Associate (CCNA) certifications are highly desirable.

WORKING ENVIRONMENT AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Normal Office Environment:

While performing the duties of this job the employee is regularly required to sit, use hands to keyboard, type, or handle materials, and talk and/or hear. The employee is occasionally required to stand and walk. The employee is regularly required to lift, carry, push, or pull up to 25 pounds. While performing the duties of this job, the noise level in the work environment is usually quiet.

**Santa Monica Community College District
Personnel Commission**

IT User Systems Administrator

CONCEPT OF THE CLASS

Under general supervision, positions in this classification serve in a lead capacity to assigned IT user support staff. Incumbents plan, design, configure, deploy, monitor, and maintain the District's client computing infrastructure, including physical and virtual system capacity and resource allocation, as needed to efficiently provide end users with proper access to up-to-date applications and technology resources.

DISTINGUISHING CHARACTERISTICS

The **IT User Systems Administrator** facilitates end user access to IT resources by planning, analyzing, implementing, and monitoring system capacity and resource allocation in physical and virtual infrastructure with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy. This position serves in a lead capacity to assigned user support staff in the Information Technology department.

The **IT User Support Manager** plans and manages activities that facilitate District-wide end user access to personal computing hardware and cloud-based software applications through oversight of the IT help desk and management of related information systems.

The **Information Systems Administrator** class performs complex, highly specialized and technical activities to analyze, develop, configure, maintain, and administer core information systems and network services with mission-critical, District-wide impact.

The **Senior Information Technology Support Specialist** serves as a project lead for complex end user computing projects, assists lower-level IT staff with complex end user support issues, and provides complex technical support to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

ESSENTIAL DUTIES

Assists supervisory staff with providing work direction to Information Technology staff responsible for supporting end-user access to District technology resources.

Plans, analyzes, implements, and monitors system capacity, operations, and resource allocation in physical and virtual infrastructure to achieve optimal user experiences and prevent service interruptions with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy.

Administers and performs all levels of client computing delivery mechanisms, including hardware/software installation, configurations, maintenance, upgrade, software packaging and delivery, computer imaging and deployment, as well as desktop application provisioning and delivery in the virtual computing environment.

Independently troubleshoots and resolves complex technical issues and works as an effective team member with both technical staff and end users to plan and implement technical solutions to ensure integration and compliance of District-wide technical standards.

Analyzes, recommends, and implements college client technology and application deployment standards to improve the overall operational efficiency and cost effectiveness of services.

Researches, analyzes, evaluates, recommends, and implements automated system management approach to effectively deliver needed applications and technology resources to authorized users.

Works with supervisory and management staff to establish and develop technical operational procedures and documents to lead, guide, and train assigned Information Technology support staff; delivers training to District employees as needed.

Provides direct technical support to end users; assists departments in selecting proper technology equipment and software solutions.

Assists supervisory and management staff with recruiting, interviewing, and hiring of staff.

Performs other related duties as requested or assigned.

Examples of essential duties are descriptive and not restrictive in nature and are generally listed in descending order of importance.

SUPERVISION

Level of Supervision Received:

Under general supervision from the IT User Support Manager, the employee receives assignments and is expected to carry them through to completion with substantial independence.

Level of Supervision Exercised:

Positions in this classification do not supervise others, but serve in a lead capacity to IT user support staff and other assigned Information Technology staff.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

Operating systems, drivers, and application installation tools and procedures

On-premise and cloud, physical and virtual infrastructure, resource allocation, and capacity planning

District policies, fundamental employment laws, codes, and regulations including EEO, FLSA, FMLA, and Cal/OSHA and applicable provisions of collective bargaining agreements

Various virtual desktop, virtual application tools, technologies and associated deployment strategies

Directory structure, such as Microsoft Active Directory, Group Policies, and Windows Registry

Network protocols, internet architecture, and client/server theory and practices

Security and privacy protection techniques related to networks, servers, client devices, and applications

User authentication and access control mechanisms for computing resources, hardware, applications, and mobile computing

Scripting languages

Basic principles and practices of project management

Basic practices of customer service and conflict management

Ability to:

Provide lead direction to staff, which includes coordinating, delegating, monitoring, and directing work orders and project tasks

Organize, set priorities and exercise sound independent judgment and analysis within areas of assigned responsibility

Interpret, apply, and explain applicable laws and regulations, and District policies and procedures

Operate a computer using computer applications, programs and standard office equipment

Organize and maintain specialized files and confidentiality of employee and student information

Communicate effectively and train others on technical information, both orally and in writing

Learn existing college technologies and stay updated and adaptable to new technologies including software, hardware, procedures and best practices

Role model exceptional internal and external customer service

Safely and correctly use tools and equipment utilized in the installation, repair, and maintenance of computers and peripherals

Maintain composure and focus with a high workload, competing and conflicting demands and multiple interruptions

Establish and maintain effective working relationships with District management, staff, students, the public and others encountered in the course of work, in a diverse, multicultural and multi-ethnic educational environment

MINIMUM QUALIFICATIONS

Education Requirement:

Bachelor's degree from an accredited university or college in Computer Science, Computer Software Engineering, Information Science, or a closely related field

Experience Requirement:

Three years of experience using scripting and endpoint configuration management tools to deploy configurations in an organization with at least 50 users and 100 endpoints. Experience as a technology project lead is also required. Experience implementing and administering virtual server/client infrastructure is highly desirable.

Education/Experience Equivalency:

Experience and/or education of the same kind, level and amount as required in the minimum qualifications may be substituted on a year-for-year basis.

Licensure and/or Certification:

Valid driver license .

Microsoft Certified System Engineer (MCSE), A+, and/or Cisco Certified Network Associate (CCNA) certifications are highly desirable.

WORKING ENVIRONMENT AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Class History:	Network Services Support Analyst
Revision Date(s):	10/12/2023; 11/1/2023

Agenda Report Number	11
Subject	New Classification Description and Salary Allocation: Senior Information Technology Support Specialist
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	John Linke, Supervising Personnel Analyst

BACKGROUND

Attached for your approval is a new classification description and salary allocation for **Senior Information Technology Support Specialist**.

The Information Technology department is currently undergoing a reorganization to align their user support operations with the IT Master Plan and enhance operational consistency across District sites. As part of this effort, management has requested the creation of two new classifications, the Information Technology Support Specialist and Senior Information Technology Support Specialist, that will provide IT technical support services to District staff and students and ensure that technology resources are accessible to users across all District sites. These classifications will incorporate duties from existing multimedia and computer technical support classifications and help to streamline operations while providing a promotional pathway for existing District employees. This position will report to the IT User Support Manager.

METHODOLOGY

Personnel Commission staff discussed this new role with Matthew Kiaman, Director of Network Services. Discussions took place to define and clarify the parameters of the proposed classification, and to make an initial recommendation as to whether the proposed job duties fit into an existing classification, or if further study was needed to assess the need for a new classification. Following discussion and review of job duties submitted and labor market research, a list of job duties was finalized, along with a list of knowledge, skills, and abilities (KSAs). Reporting relationships were defined, and recommendations for minimum requirements were discussed and compared with other related classifications.

A job evaluation and external salary study were conducted to identify similar roles in comparable agencies. Internal comparisons were also reviewed to ensure proper alignment with, and delineation from, related IT classifications. Once the duties were finalized, Commission staff prepared the class description and salary proposal, and sent recommendations for review by stakeholders.

Commission staff will conduct further meetings with Department management prior to opening recruitment, in order to gather and analyze documentation for developing a recruitment plan and creating test content.

RESULTS

Key factors in determining the need for a new classification consist of the knowledge required for the position, scope and effect of work, level of complexity, nature and purpose of contacts in the course of work, and level of decision-making. Incumbents in this classification will:

- Plan, coordinate and lead complex end user computing projects such as multi-department/multi-lab computer upgrades; assist with developing resource estimates, task analysis, and operational coordination for assigned projects.
- Create new images from scratch using appropriate scripting, security, management and deployment tools for larger, complex deployments in a networked environment.
- Assist in the administration of configuration management systems; design, configure, deploy, monitor, and maintain Windows Active Directory or similar group policies, and logon script; coordinates more complex changes with Systems Administration staff as needed.
- Work with functional areas to build, test and deploy electronic workflows in platforms such as work order systems and other District-provided applications.

A comprehensive salary survey of 16 comparable agencies was conducted to examine industry trends and determine current salary ranking. Sufficient market data was not available to utilize

the percentile ranking method of salary placement (i.e., at least 30% of surveyed jobs should be matched). As a result, salary allocation is recommended based on internal alignment. Commission staff found variation in organizational structure at benchmark agencies that limited appropriate matches, including roles that had higher level technical responsibilities for network infrastructure or server administration and those without project lead responsibility.

SALARY ALLOCATION

It is recommended that salary for the Senior Information Technology Support Specialist be allocated to **Range 41** on the Classified Employee Salary Schedule. This will provide a 10% difference between the Information Technology Support Specialist and Senior Information Technology Support Specialist roles, which is appropriate given the Senior’s responsibility for leading IT user support projects and performing more complex technical support work requiring expanded knowledge of IT systems.

The following chart shows classifications within the proposed series.

JOB TITLE	RANGE	MIN	MAX	% DIFFERENCE BETWEEN LEVELS
Director of Network Services	A15	\$14,539	\$16,029	37.35%
IT User Support Manager	M29	\$10,585	\$12,866	24.84%
IT User Systems Administrator	49	\$8,479	\$10,306	21.55%
Senior Information Technology Support Specialist (Proposed)	41	\$6,975	\$8,479	10.24%
Information Technology Support Specialist (Proposed)	37	\$6,327	\$7,690	5.00%
Academic Computing Instructional Specialist (Proposed for Abolishment)	35	\$6,026	\$7,324	5.00%
Multimedia Technician (Proposed for Abolishment)	33	\$5,739	\$6,975	

The class description and salary allocation were reviewed in labor-management as part of reorganization efforts in IT. See subsequent agenda report on the consolidation of Academic Computing Instructional Specialist and Multimedia Technician.

RECOMMENDATION

It is recommended that the Commission approve the attached new class description and salary allocation for Senior Information Technology Support Specialist to Range 41 on the Classified Employee Salary Schedule.

Personnel Commission**

Senior Information Technology Support Specialist

CONCEPT OF THE CLASS

Under general supervision, positions in this classification function as a project lead for complex end user computing projects and respond to the full scope of technical support requests from end users, including College employees and students, to facilitate effective and secure access to District supported technology resources. Incumbents apply advanced knowledge of operating systems and configuration tools to build, test and deploy computing configurations and software packages on a large scale.

DISTINGUISHING CHARACTERISTICS

The **Senior Information Technology Support Specialist** serves as a project lead for complex end user computing projects, assists lower-level IT staff with complex end user support issues, and provides complex technical support to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

The **Information Technology Support Specialist** provides technical support and training to ensure end user access to a wide-range of technologies including computer software, hardware, and peripherals, audio-visual and multimedia equipment, and District systems.

The **IT User Systems Administrator** facilitates end user access to IT resources by planning, analyzing, implementing, and monitoring system capacity and resource allocation in physical and virtual infrastructure with full awareness of network, server, and storage infrastructure impacts on client computing deployment strategy. This position serves in a lead capacity to assigned user support staff in the Information Technology department.

ESSENTIAL DUTIES

Plans, coordinates and leads complex end user computing projects such as multi-department/multi-lab computer upgrades; assist with developing resource estimates, task analysis, and operational coordination for assigned projects.

Creates new images from scratch using appropriate scripting, security, management and deployment tools for larger, complex deployments in a networked environment.

Assists in the administration of configuration management systems; designs, configures, deploys, monitors, and maintains Windows Active Directory or similar group policies, and logon scripts; coordinates more complex changes with Systems Administration staff as needed.

Works with functional areas to build, test and deploy electronic workflows in platforms such as work order systems and other District-provided applications.

Evaluates equipment, software, and technology services for purchase; assists in developing hardware standards to support applications and services.

Assists other IT staff with troubleshooting complex end-user computing issues; performs root cause analyses in troubleshooting end-user computing issues and develops solutions to address root causes.

Performs moves, adds, changes, repairs, testing and maintenance of software and IT hardware including computers, monitors, scanners, speakers, audio-visual equipment, and other peripheral devices at all college locations including employee offices, computer labs, and classrooms to provide end users with current and consistent access to hardware and software; forwards requests to add/replace audio-visual equipment attached to ceilings and/or walls to the appropriate IT staff.

Provides broad end user technology support and training to facilitate access to District systems, computers, software, audio visual equipment and peripherals by responding to user requests in-person, by phone, and electronically; provides timely response and resolution to requests and escalates issues to appropriate information technology personnel as needed.

Diagnoses basic network problems by visually inspecting connections and using basic tools (e.g., ping) to check connectivity; escalates problems to appropriate information technology personnel as needed.

Develops technical and procedural documentation as needed.

Assists in hiring and training student workers; schedules work hours and provides work direction to student workers.

Examples of essential duties are descriptive and not restrictive in nature and are generally listed in descending order of importance.

SUPERVISION

Level of Supervision Received

Under general supervision from the IT User Support Manager, the employee receives assignments and is expected to carry them through to completion with substantial independence.

Level of Supervision Exercised

Positions in this classification do not supervise others. May provide work direction and guidance to lower-level IT staff and student workers.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

Advanced functionality and troubleshooting techniques for current Windows, Macintosh and mobile operating systems, configuration tools and methods

Directory structure, such as Microsoft Active Directory, Group Policies, and Windows Registry

Basic principles and practices of project management

Computer and mobile hardware, including PC, Mac, and peripheral equipment

Software commonly used in educational and office settings including, but not limited to, Adobe and Microsoft products

Advanced methods and procedures for installing, configuring, upgrading, troubleshooting and repairing applicable software, hardware and peripherals.

Field equipment set-ups and technical operations using microphones, speakers, projectors, laptops and optical playback decks

Operation and use of a wide variety of multimedia equipment

Processes, techniques, and systems related to image creation and basic network troubleshooting

Ability to:

Organize, set priorities and exercise sound independent judgment within areas of assigned responsibility, and plan, monitor and implement project activities in support of assigned end user computing projects

Interpret, apply, and explain applicable laws and regulations, and District policies and procedures

Assess, troubleshoot and identify solutions related to electronic workflows and complex issues related to hardware, software, and peripherals

Operate a computer using computer applications, programs and standard office equipment

Organize and maintain specialized files and confidentiality of employee and student information

Communicate and train others on technical information effectively, both orally and in writing

Learn existing college technologies and stay updated and adaptable to new technologies including software, hardware, procedures and best practices

Safely and correctly use tools and equipment utilized in the installation, repair, and maintenance of computers and peripherals

Role model exceptional internal and external customer service

Establish and maintain effective working relationships with District management, staff, students, the public and others encountered in the course of work, in a diverse, multicultural and multi-ethnic educational environment

MINIMUM QUALIFICATIONS

Education Requirement:

Associate's degree in computer science or a related field.

Experience Requirement:

Two years of experience installing and maintaining computer hardware, software and peripherals in a multi-user, networked environment. Two years of experience using software to build and deploy computer configurations in an organization with at least 50 users is also required.

Education/Experience Equivalency:

Experience and/or education of the same kind, level and amount as required in the minimum qualifications may be substituted on a year-for-year basis.

Licensure and/or Certification:

A valid driver license.

WORKING ENVIRONMENT AND PHYSICAL DEMANDS

Disclosure:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Normal Office Environment:

While performing the duties of this job, the employee is required to stand, walk, reach, and travel around the main campus or satellite locations to perform fieldwork. The employee is regularly required to sit, use hands to keyboard, type, or handle materials, and talk and/or hear. The employee is occasionally required to climb. The employee is frequently required to lift, carry, push or pull up to 50 pounds. While performing the duties of this job, the employee is also regularly required to stoop, bend, and crouch in small spaces, such as under a desk, and is frequently exposed to outdoor weather conditions.

Agenda Report Number	13
Subject	Advisory Item: Reappointment of Barbara Greenstein
Date	November 1, 2023
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission

Please be advised that Commissioner Greenstein’s current term is scheduled to expire on November 30, 2023. Commissioner Greenstein is one of the CSEA nominees to the Personnel Commission.

Education Code 88065 states:“In any community college district which has a five-member personnel commission, two members of the commission shall be appointed by the governing board of the district and two members, nominated by the classified employees of the district, shall be appointed by the governing board of the district. Those four members of the personnel commission shall, in turn, appoint the fifth member to the commission.”

CSEA Chapter 36 has notified the Personnel Commission Office that they voted to re-appoint Barbara Greenstein to serve as a Commissioner for another three-year term, beginning December 1, 2023.

The Board of Trustees will be advised that Barbara Greenstein is the CSEA nominee and per Education Code 88065, shall be appointed by the governing board of the district. This item has been placed on the November 2023 Board of Trustees agenda.
