Agenda Report Number	4
Subject	Request for Approval of Classification Revisions and Retitle: Program Coordinator – Community & Contract Education to Program Coordinator – Community Education
Date	February 21, 2024
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission
By	Olga Gorman Vasquez, Personnel Analyst

BACKGROUND

Attached for your approval are the classification revisions for **PROGRAM COORDINATOR – COMMUNITY & CONTRACT EDUCATION**.

As scheduled on the annual cyclical study calendar, Commission staff is reviewing the Program Coordinator – Community & Contract Education classification. The Program Coordinator – Community & Contract Education oversees, coordinates, and assists in the day-to-day operation and activities of the Community & Contract Education programs, by planning and scheduling course offerings based on student enrollment, facilities and faculty availability. The Santa Monica College Community & Contract Education program offers hundreds of classes to individuals who wish to explore their personal interests or enhance their careers at low-cost. Not-for-credit Community Education courses are designed to enrich lives through hands-on workshops and lively classes in art, writing, dance, and many other areas.

The Program Coordinator – Community & Contract Education was established in March 2007. This classification was last revised in December 2011 to reflect a change in title and capture the updated organizational structure. This classification is currently vacant.

METHODOLOGY

This study was scheduled in the cyclical review calendar for 2021-2022. The incumbent at that time from the Program Coordinator – Community & Contract Education classification, as well as CSEA, were invited to participate in a class study orientation on November 8, 2021, to discuss the purpose of the study, methodology, timelines, possible outcomes and implications, and frequently asked questions. The incumbent was requested to complete a Position Description Questionnaire (PDQ) by December 13, 2021.

Personnel Commission staff met with Scott Silverman, Dean of Noncredit & External Programs, to discuss the classification description. In addition, the supervisor was requested to complete a duty analysis worksheet by rating the frequency and criticality of each duty in the current class description. Distinguishing characteristics were added to clarify related roles within the occupational series, and duties were added to more accurately reflect responsibilities assigned

to this classification. The knowledge, skills and abilities section were updated with standardized language.

Additionally, a job evaluation and an external salary study of public agencies with positions that have comparable duties and responsibilities was conducted. Salary data was gathered based on the comparison of positions with the level of duties and responsibilities most similar to the subject position.

RESULTS

Based on the data gathered, revisions to the class description and a retitle are being proposed to include a more accurate description of the work required. Additional changes serve to clarify the concept of the class, essential duties and KSAs (knowledge, skills and abilities).

A comprehensive survey of comparable agencies was conducted. Sufficient market data was not available to utilize percentile ranking method of salary placement (i.e., at least 30% of surveyed jobs should be matched). Comparable agencies did not have an equivalent role in nature and level of responsibilities and differed in organizational structure and scope of programming. As a result, salary recommendation is based on internal alignment with the recently reviewed Program Coordinators.

SALARY ALLOCATION

Commission staff found that this classification requires knowledge in specific program planning, logistics, marketing, and student enrollment practices and standards. An incumbent in this role has decision-making responsibilities for coordination of activities in support of the District's Community & Contract Education program and services. Scope and complexities of the position are found in the varied duties related to class scheduling, instructor/faculty collaboration, student enrollment, logistics, budget expenditure tracking and financial reporting, and resource allocation. This classification is most comparable to the Program Coordinator – Emeritus in that both classifications require specialized knowledge regarding their particular program and their unique enrollment registration systems and processes and are assigned primary responsibility to oversee and coordinate day-to-day operations and activities. Therefore, salary reallocation is not recommended.

See internal comparison table below. Cyclical reviews for all the classifications in this job discipline are complete.

JOB TITLE	RANGE	MIN	MAX	% DIFF BETWEEN LEVELS
Program Coordinator-Workforce & Economic Development	39	\$6,643	\$8,075	4.99%
Program Coordinator-Emeritus	37	\$6,327	\$7,690	0.00%
Program Coordinator-Community Education (Retitled)	37	\$6,327	\$7,690	

Cyclical review results were sent to Department leadership, CSEA, Business Services, Human Resources, and the Superintendent/President.

RECOMMENDATION

It is recommended that the Commission approve the proposed classification description revisions and retitle from Program Coordinator – Community & Contract Education to Program Coordinator – Community Education.

Agenda Report Number	5
Subject	Review of Position Reclassification Study: Senior Veterans' Resource Specialist
Date	February 21, 2024
To	Members of the Personnel Commission
From	Carol Long, Director of the Personnel Commission

The Personnel Commission initially heard the appeal of a position classification study for Senior Veterans Resource Specialist at our regular meeting on September 20, 2023. At the meeting on September 20, Commissioners requested the Director of the Personnel Commission to present a written report outlining all steps taken by Personnel Commission staff in reviewing this position study request. This item was placed on the agenda again for our meeting on October 12, 2023, and again on December 20, 2023. This item was pulled from both agendas, and a motion was made to table the "Consideration of Appeal" until a time and date to meet could be agreed upon by all parties.

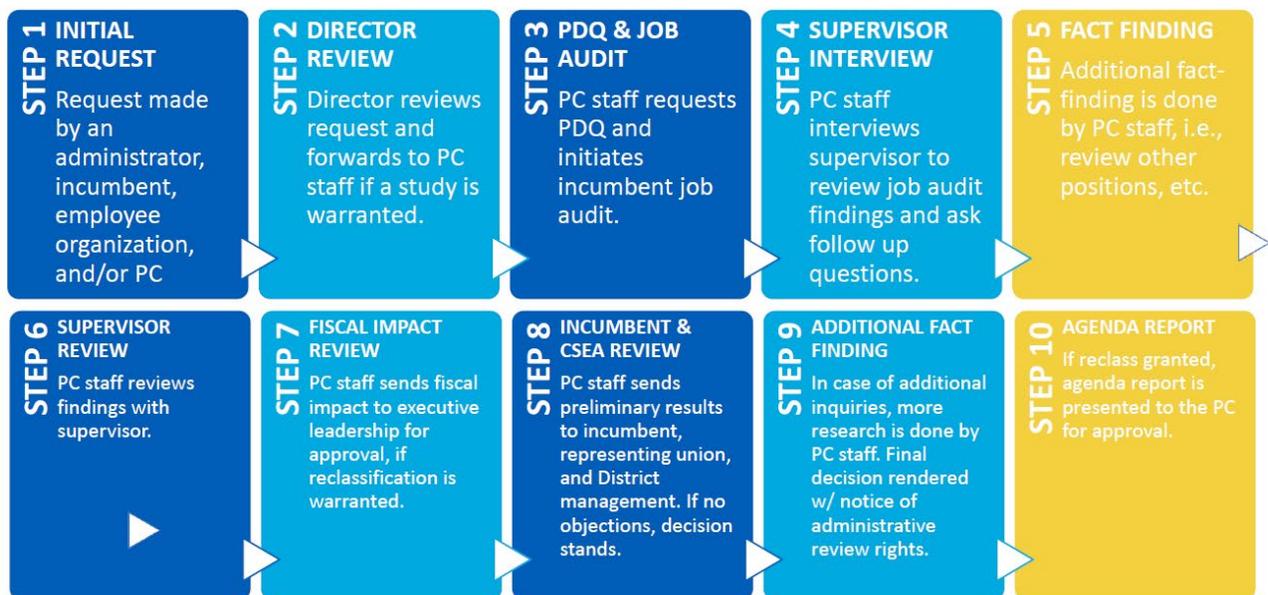

Our initial recommendations are as follows:

1. The request for reclassification should be denied.
2. Personnel Commission staff should conduct a formal salary review of the existing classification. While a formal salary review is not standard practice for all position reclassification studies, I am recommending that we move forward with this process, given the complexity of this request.
3. The request for a classification title change is placed on hold until we have the opportunity to meet with the new supervisor who now oversees the Veterans Resource Center.

The Commissioners, current incumbent, and CSEA have been sent a revised report outlining all steps taken during our review of the Senior Veterans Resource Specialist position and classification, justification for denying the position reclassification request, and recommendations for appropriate next steps.

The chart which documents our current process for conducting Position Reclassification studies is pasted below. Commissioners are requested to review this chart, the revised full report, and recommendations listed above, in order to determine if all procedures were followed correctly, or if there is cause for a different outcome.

RECLASSIFICATION PROCESS

Merit Rule 3.2.5 Interpretation of Classification Descriptions

3.2.5 INTERPRETATION OF CLASSIFICATION DESCRIPTIONS

A. The classification descriptions and their various parts shall be interpreted according to the following rules:.

2. The description for each classification is considered as a whole in determining the class to which any position shall be allocated, giving consideration not to isolated clauses, phrases, or words, apart from their context but to the general duties, responsibilities, specific tasks, and qualification requirements as affording a picture of the positions included in the class. A classification is deemed appropriate when it describes eighty (80) percent of the duties and responsibilities assigned to a position.

Merit Rule 3.3 Reclassification

3.3.3 RECLASSIFICATION ANALYSIS

A determination of whether a reclassification is appropriate will be based on an analysis of the duties and responsibilities currently assigned to the position. The analysis will assess:

- A. The nature and scope of each identified change in duties and responsibilities.

- B. The date the incumbent began the performance of the newly acquired duties and responsibilities.
- C. Clear and convincing evidence of the employee’s continued performance of the added duties and responsibilities.
- D. The extent to which the added duties and responsibilities are not accurately defined by the existing classification.
- E. If added duties and responsibilities are not incorporated within an existing classification, creation of a new classification may be appropriate.

3.3.5 RECLASSIFICATION REVIEWS

- A. Within fifteen (15) calendar days from receipt of a reclassification request, the Director of Classified Personnel shall provide the employee with written acknowledgement indicating the general expected time schedule for the review of the position.
- B. Personnel Commission staff will review all pertinent documentation. If needed, this review will also include a site visit and/or interview with the incumbent and supervisor to identify actual duties assigned and performed; and additional reviews of work flow, work environment, work products, and any related documents.

Merit Rule 16.1 Complaint Procedures for Classified Personnel

16.1.1 PURPOSE OF THE COMPLAINT PROCEDURE

F. The Complaint Procedure is the medium through which permanent classified employees may bring complaints arising out of alleged violations of the Merit Rules.

16.1.3 GENERAL PROCEDURES

D.Complaints within the jurisdiction of the Commission shall be investigated by the Director of Classified Personnel. Appropriate action shall be taken in response to the complaint. The Director of Classified Personnel shall provide the Commission with a report of any action taken on a complaint.

G.The resolution of a complaint by either the Director of Classified Personnel or the Commission shall be final and there shall be no further appeal or review.
